MASTER OF PUBLIC POLICY (MPP)

ADMISSIONS OPEN NOW

BATCH 2026 – 2028

Highlights

✅ Interdisciplinary exposure to cutting-edge fields like Sustainability, Economics, Data Science, and Urban Planning and Governance.

✅ Practice-Oriented Curriculum with more emphasis on case studies, simulations, and live policy labs to bridge theory and implementation

✅ Strong analytical foundation with emphasis on cutting-edge quantitative tools such as Python, STATA, R, QGIS, and SPSS, as well as public finance, impact evaluation, and policy analysis.

✅ Rigorous research exposure with a semester-long dissertation work to sharpen research skills, exposure to industry through internships, and applied research on pressing policy issues.

Admissions Through

- Track-1: Applicants having a GATE score
- Track-2: Applicants who do not have a GATE score
